A Service Center Authority

A

The governance of the service center shall be vested in the board. The service center shall be administered by a board consisting of one member from the board of education of each school district. Each board of education may elect an alternate to serve in the place of the appointed member. The alternate shall serve at the request of the regular board member in his absence.

Each board member or alternate serves at the discretion of the appointing board of education. The terms of office of the members shall expire concurrently with their terms as board of education members. Vacancies in the membership of the board shall be filled in the same manner as originally filled within 30 days from the date of vacancy.
