*Energizing and Sustaining the Move
Toward Differentiated Classrooms*

Differentiated Instruction Workshop

Cost: \$75.00/person for KEYSTONE districts
\$150.00/person outside of KEYSTONE districts

Differentiation is a complex instructional model that revolutionizes the way we support and sustain responsive teaching for all learners. What does it take to implement differentiation for the long haul? During this workshop you have the opportunity to use the principles of differentiation as a lens for creating high quality curriculum. This workshop provides you the tools and strategies needed to ensure more students are learning. Come with a team or on your own and leave with ideas that energize and sustain you along the journey to a differentiated classroom.
