LEARNING MAPS

Professional Development Webinar Event

Join the DLM Professional Development team from UNC Chapel Hill for monthly, interactive webinars designed to address your questions about instruction and connect you with other teachers who are working to provide instruction aligned with the DLM Essential Elements in English Language arts and mathematics.

Prior to each webinar, participants are encouraged to review or complete the modules listed for each session found at <http://dlmpd.com/>.

October 23, 2018 | 3:30 p.m. (Central Time)
Mathematics

Modules addressed:

Counting and Cardinality (http://bit.ly/dlm_counting_cardinality)

The Power of Ten-Frames (http://bit.ly/dlm_ten_frames)
