## Field Trips

Whether the field trip is instructional or recreational, parental permission must be obtained by each student and submitted to the office prior to departure. The JDLA general field trip permission form signed at enrollment covers all field trips. An emergency procedure form, also signed at enrollment, must be on file in the JDLA office for any student to participate in off-campus trips.

All students are expected to participate in field trips that are instructional in nature. Because JDLA is a service learning school, the service learning components of our curriculum require frequent field trips which often involve a project based learning opportunity. These are a required aspect of our curriculum and student participation or lack thereof will be reflected in their grade.
