

THE SPECIAL EDITION

Happy
holidays

THIS MONTH

We know that this time of year can be both rewarding and challenging, but you continue to show up with enthusiasm, care, and an unwavering commitment to our students. Your creativity in finding solutions, your patience in nurturing growth, and your ability to see the potential in every student are qualities that make Keystone a better place.

As we look ahead to the new year, we want you to know how much we appreciate everything you do, not just for our students, but for each other as a team. You are the heart and soul of Keystone, and your impact is immeasurable.

We hope this holiday season brings you moments of rest, joy, and well-deserved recognition. Take time to recharge—your work is invaluable, and we are so fortunate to have such a dedicated group of professionals making a difference every day.

Keystone Administration

SPOTLIGHT

We are excited to announce that Jennifer Wiseman has been selected as the KASEA (Kansas Association of Special Education Administrators) SPED Professional of the year. Jennifer will be honored at this year's KASEA Winter Conference. Congratulations, Jennifer. It is an honor well-deserved!

RESOURCE

Secondary and Elementary:

A new resource for Specially Designed Instruction has been added to the teacher resource drive. Give it a look and see if there are strategies that would work for your students. Here's the link:
